

The Saifee Burhani Expo 2025 - Construction 360

Association Partner: Construction Federation of India (CFI)

Event Overview:

The Saifee Burhani Expo 2025 - Construction 360 is a community-based premier networking and business platform where Dawoodi Bohra entrepreneurs engaged in construction, architecture, and interior design will showcase their expertise and innovation.

The expo offers an excellent opportunity for manufacturers, suppliers, and service providers to present their latest products and solutions to key stakeholders including developers, real estate companies, architects, interior designers, and other industry professionals from across India.
